The dinner event will host a DJ-Set by Goldsoundz (Hamburg, Germany) serving post-punk, shoegaze and synthie-pop-tunes prompting you to gaze and dance between port wine barrels and historic stone walls

This edition's culinary event combines visual, lucullan and audible pleasures and will take place at one of the most beautiful cellars of the port wine district at Vila Nova de Gaia.

Quevedo is special – second row, disruptive and one of the very rare organic port wine e producers. We will have a joyful and pleasuring night out there savouring a buffet of vegetarian and vegan snacks, wine and port.

The event also hosts a DJ-Set by Goldsoundz serving post-punk, shoegaze and underground-pop-tunes prompting you to gaze and dance between port wine barrels and historic stone walls...

See you on the other side of the river!
